

C1 ECONOMICS

Our students will acquire a broad understanding of economic thinking, develop the ability to make informed business decisions, and effectively solve economic challenges in managing business processes

What are the impressions of our students?

Zhang Yi
China

I graduated with a bachelor's degree in Fujian Normal University, majoring in Political Science and Administration. Study at NTU KhPI has broadened my horizons with some more knowledge. Online learning is fun and accessible. In the process of doing the homework, the teacher patiently guided us and let us fully express our views. The teaching content is rich, have a wide range of knowledge.

C1 ECONOMICS

Scope of application of acquired knowledge:

- business economics
- business decision-making
- business analytics
- business communications

What are the impressions of our students?

Ouyang.Yuqing
China

Thanks to all the professors of NTU «KhPI» for their support and guidance, they gave me a good learning opportunity and experience, let me learn more knowledge, and the school has a strong learning atmosphere. The curriculum is interesting and we can express our opinions fully. At first I thought it would be difficult, but all the professors showed me a lot of patience and love.

C1 ECONOMICS
