

ORGANIZING COMMITTEE

Chairman

Grubnik I.M., PhD, Professor, Director of the Educational and Scientific Institute of Pharmacy, National Technical University "Kharkiv Polytechnic Institute" (NTU "KhPI"), Kharkiv, Ukraine.

Deputy Chairman

Strilets O.P., D.Sc. (Pharmacy), Professor, Head of the Department of Organic Synthesis and Pharmaceutical Technologies, NTU "KhPI", Kharkiv, Ukraine.

Members

Tamaz Mdzinashvili, Full Professor, Ivane Javakhishvili Tbilisi State University, Director of the Graduate Program in Biophysics, Director of the Institute of Medical and Applied Biophysics, Tbilisi, Georgia.

Solarska Ewa, Professor, Dr. Habil, Department of Biotechnology, Microbiology and Human Nutrition, University of Life Sciences, Lublin, Poland.

Yudina, Y.V., PhD in Pharmacy, Assoc. Prof., Department of General Pharmacy, NTU "KhPI", Kharkiv, Ukraine.

Strelnykov L.S., Dr. Sci., Prof., Department of Organic Synthesis and Pharmaceutical Technologies, NTU "KhPI", Kharkiv, Ukraine.

Blyzniuk O.M., Dr. Sci., Professor, Head of the Department of Biotechnology, Biophysics and Analytical Chemistry, NTU "KhPI", Kharkiv, Ukraine.

Ovsianikova T.O., PhD, Assoc. Prof., Department of Organic Synthesis and Pharmaceutical Technologies, NTU "KhPI", Kharkiv, Ukraine.

Krychkovska A.M., PhD, Assoc. Prof., Department of Technology of Biologically Active Compounds, Pharmacy and Biotechnology, Lviv Polytechnic National University, Lviv, Ukraine.

Kapelyanz L.V., Dr. Sci., Prof., Department of Food Chemistry, Expertise, and Biotechnology, Odessa National Technological University, Odessa, Ukraine.

Panchenko Y.V., Ph.D., Assoc. Prof., Department of Organic Chemistry, Lviv Polytechnic National University, Lviv, Ukraine.

Nikolenko M.V., Dr. Sci., Prof., Head of the Department of Analytical Chemistry and Chemical Technologies of Food Additives and Cosmetics, Ukrainian State University of Chemical Technology, Dnipro, Ukraine.

Blokhina V.D., Director of Aromat LLC, Kharkiv, Ukraine.

Executive Secretaries

Spiridonov S.V., Ph.D., Assoc. Prof., Department of Organic Synthesis and Pharmaceutical Technologies, NTU "KhPI", Ukraine.

Falaleeva T.V., Ph.D., Assoc. Prof., Department of Organic Synthesis and Pharmaceutical Technologies, NTU "KhPI", Ukraine.

Contact information NTU "KhPI", Ukraine.

PARTICIPATION IN THE CONFERENCE IS FREE OF CHARGE

Conference abstracts will be published in the electronic Book of Abstracts available on the conference website.

The electronic Book of Abstracts will be available from November 25, 2026.

To participate in the conference, please submit the following materials electronically no later than November 1, 2026:

articles (abstracts) and a completed application form. Please send the materials to the email address corresponding to the publication section (listed below).

The file name should contain the section number and the surname(s) of the author(s).

Example: section_2_Ivanenko_Sokolenko.doc.

Send to

Khpicconference_section2@ukr.net

DEAR COLLEAGUES!

We invite you to participate in the XIV International Scientific and Practical Conference “Chemistry, Industrial Pharmacy, Biotechnology, Ecology and Economics in the Chemical, Food, Cosmetic and Pharmaceutical Industries”, which will be held in Kharkiv, Ukraine, on 18-19 November 2026.

Deadline for sending applications for participation is on 5 November 2026.

Topics of the conference:

Section 1. Medicines and new products based on biologically active substances of synthetic and natural origin.

Email: Khpiconference_section1@ukr.net

Section 2. Development and investigation of novel chemical, biological and nanomaterials for the chemical, pharmaceutical, food and cosmetic industries.

Email: Khpiconference_section2@ukr.net

Section 3. Environmental and economic problems in the chemical industry, the creation and use of medicines, food products, and cosmetics.

Email: Khpiconference_section3@gmail.com

Section 4. Technological challenges and innovations in the development and implementation of new medicinal products and industrial technologies.

Email: khpiconference_section4@ukr.net

Section 5. Training of specialists in industrial pharmacy and chemical technologies.

Email: khpiconference_section5@ukr.net

REQUIREMENTS FOR MATERIALS

Length of abstract: 2-6 full A4 pages., submitted in electronic form to the Organizing Committee.
The filename should contain the surname of the author or first author.

Abstracts are issued in accordance with the following requirements:

- The minimum font size in figures should be 14pt. (you can use a forced transfer);
 - Margins: left, right, top - 2.2 cm, bottom - 3.0 cm;
 - In the first line - the title of the paper in capital letters (centered, in bold, size 16);
 - In the second row - surname and initials of authors
 - In the third row - complete name of the institution, the city and e-mail (centered, in bold, italic).
- Figures that are inserted in the text should have dimensions not exceeding 15 X 9 cm using formats: bmp, tif, jpg. Font size of the figures - 14 ppt. Figures made using Word, must necessarily be grouped.

Example of an abstract:

STUDY OF IMPURITIES ...
Ivanov O.N., Sidorov V.O.
National Technical University" Kharkiv Polytechnic Institute", Kharkiv, e-mail

Text of the abstract.

Literature is a must.

Upon receipt of the materials, the organizing committee sends a letter to the author stating “Materials accepted.”

APPLICATION FORM for participation in the XIV International Scientific and Practical Conference

**"Chemistry, industrial pharmacy,
biotechnology, ecology and economics in
the chemical, food, cosmetics and
pharmaceutical industries"**
