General information

Summary

This field of study encompasses the exploration of history and culture spanning from ancient eras to the contemporary period. Through the course of their studies, students will become familiar with significant historical and political figures, delving into their noteworthy achievements and evaluating their impact on the progression of Ukrainian and global history. To accomplish this, students will prepare an abstract report on a topic of their choice or one suggested by the course, enabling them to critically analyze and assess the contributions made by these influential figures.

Course objectives and goals

The purpose of the discipline "History and Culture of Ukraine" is to explore and delve into the rich historical and cultural heritage of Ukraine. Through this course, students are introduced to significant events, developments, and influential figures that have shaped the nation's history and cultural identity. By studying the history and culture of Ukraine, students gain a deeper understanding of the country's past, its traditions, customs, and artistic achievements. The discipline aims to foster a sense of pride, appreciation, and critical analysis of Ukrainian history and culture while promoting a broader perspective on the global historical and cultural landscape.

Norms of academic integrity and course policy

Students at NTU "KhPI" are required to uphold the Code of Ethics for Academic Relations and Integrity, which emphasizes the importance of demonstrating discipline, good manners, kindness, honesty, and responsibility. In the event of conflict situations, it is expected that students openly discuss the issues within their academic groups, seeking resolution with the guidance of their lecturer. Should a conflict remain unresolved, it is necessary to escalate the matter to the attention of the Institute's management for further assistance.

Regulatory and legal documents related to the implementation of the principles of academic integrity at NTU "KhPI" are available on the website: <http://blogs.kpi.kharkov.ua/v2/nv/akademichna-dobrochesnist/>
