

# THE RULES FOR PAPERS FORMATTING

## File format

- **Microsoft Word (\*.doc or \*.docx - formats)**
- Includes all elements of the paper in a single document

## General

- Margins: top and bottom: 20mm (0.8 in.); left and right: 25.4 mm (1 in.)
- Title, author info, abstract text, text headings: Times New Roman typeface
- Text: 11 pt. Times New Roman typeface, with single line spacing

## First-page Header

- Use the following header:

**Proceedings of the 5<sup>th</sup> International Conference on Nonlinear Dynamics**

**ND-KhPI2016**

**September 27-30, 2016, Kharkov, Ukraine**

- 11 pt. boldface Times New Roman typeface, right alignment
- on the first page only

## Next-pages Header

- Starting from the 2<sup>nd</sup> page put Authors Names in the header
- 10 pt. Times New Roman typeface, italic, center alignment

## Paper Title

- Each word starts from the Capital Letter
- For Units of measure or other specialty use lowercase terms
- 20 pt. boldface Times New Roman typeface, left alignment
- Spacing: between header and paper title: 3 extra lines; between title and authors: 1 extra line

## Authors

- Author name – first name, middle initial, and last name (for example: Mikel J. Brown)
- Name: 13pt. medium Times New Roman typeface
- Affiliation, City, Country and contact information must be specified after the Abstract

## Abstract

- The contents of Abstract must be put in a 2-row table. Only the outer borders of the table should be visible.
- The first row of the table should be filled with light gray
- The first row must have a word **Abstract**, 10 pt. bold Times New Roman typeface, left alignment
- The second row of the abstract text must be here 10 pt. Times New Roman typeface, Italic.
- The abstract should state briefly the scope of the research, the principal results and major conclusions. References and non-standard or uncommon abbreviations should be avoided.

- In the bottom of Abstract Keywords should be put 10 pt. Times New Roman typeface. The list of keywords starts with the word **Keywords** 10 pt. bold Times New Roman typeface, left alignment
- The second row of the defined table is not filled and presents information about the authors. Affiliations and addresses (10pt. medium Times New Roman typeface).
- The corresponding author should be marked with his/her email address.

## Headings

- 11 pt. boldface Times New Roman typeface
- 1ST level: each word starts from capital letter, flush left, on separate line, Light gray background for all row(s)
- 2ND level: medium, left alignment, on separate line
- 3RD level; medium, italic, left, alignment, on separate line
- Spacing: use spacing appropriately to define the paper structure and reflect the hierarchy of it's content

## Equations

- Equations should be set apart from the body of the text and centered. Use 1 line spacing to separate equations from the text.
- Numbered should be done consecutively, using Arabic numerals enclosed in parentheses of the final baseline of the equation and aligned to right side of a page.
- The sizes of the font in Equation Editor are the following: usual is 11, a large index is 7, a fine index is 5, a large symbol is 14, a fine symbol is 11. Fonts: Times New Roman and Symbol.
- Do not use any punctuation at the end of equations.

## Graphs

- Includes photographs, graphs, and/or line drawings.
- Numbered consecutively and captioned
- Caption - 10 pt. Times New Roman typeface, centered below the graphic. (The word Figure should be bold)
- Texts within the graphs should not less than 7 pt.
- Spacing: use enough space to separate graphic from text and other elements
- Positioning: within the body of the paper after the first reference or at the end of the text portion
- Also, you can include color graphs or photos for soft copies, still they will be printed in grayscale in the book of proceeding.

## Tables

- Numbered consecutively and captioned
- Caption - 10 pt. Times New Roman typeface, centered on the line above the table
- Columns/rows headers should be boldface
- Texts within the graphs should not less than 7 pt.
- Positioning: within the body of the paper after the first reference or at the end of the text portion
- Spacing: use enough space to separate tables from text and other elements

## References

- Should be presented within Vancouver citation style
- Each reference should be numbered in a squared brackets
- 11 pt. Times New Roman typeface, flush left
