INTERNATIONAL SYMPOSIUM PROBLEMS OF ELECTRICAL POWER ENGINEERING, ELECTRICAL ENGINEERING AND ELECTROMECHANICS" (SIEMA'2026) October 29-30, 2026

Kharkiv – 2026

Dear _____,

→ The Organizing Committee has the honor to invite you and the interested employees of your institution to participate in the International Symposium "Problems of Electrical Power Engineering, Electrical Engineering and Electromechanics" (SIEMA'2026), which will be held remotely on October 29–30, 2026 at the National Technical University "Kharkiv Polytechnic Institute" (Electrical Engineering Building, 2 Kyrpychova St., Kharkiv, 61002). Details at the link:

→ <http://web.kpi.kharkov.ua/siema/1503-2/> ¶

We invite to attend the Symposium:

- heads of departments providing specialist training in the specialty **G3 "Electrical Engineering"**, as well as leading scientific and pedagogical staff of Ukrainian and foreign HEIs;
- representatives of research organizations and enterprises dealing with problems related to electrical power engineering, electrical engineering, and electromechanics, including **developers and consumers** of electrical devices;
- representatives of **design** organizations;
- representatives of commercial organizations in the electrical engineering sector.

Symposium participants will receive an electronic Book of Abstracts and a Certificate of Participation (12 hours / 0.4 ECTS credits); abstract publication is a mandatory requirement for participation. In addition, an opportunity is provided to publish extended papers in publications included in the List of Scientific Professional Journals of Ukraine and indexed in international scientometric databases. In particular, papers will be published in the Bulletin of NTU "KhPI" (series: "Problems of improving electrical machines and apparatus. Theory and practice"), which is indexed in Index Copernicus, and in the journal "Electrical Engineering & Electromechanics" (EIE), which has been indexed in Web of Science Core Collection since 2015 and in Scopus since 2021 (second quartile, Q2).

In order to ensure the timely publication of the Book of Abstracts and the preparation of the symposium materials, we kindly request you:

- to fill out and send the **application form and abstract** to the organizing committee at siema@khipi.edu.ua by **October 15, 2026**;
- to transfer a charitable contribution to the Symposium fund. For budget-funded organizations and institutions — contribution + VAT. The amount of the contribution is determined by the participants based on the conditions specified on the website. Please notify the organizing committee of the transfer by phone or e-mail. Bank requisites:

Bank account
