

## PEDAGOGICAL ETHICS

### PRACTICE 1

Find the example of conflict ethical situation from the movies. Specify the name of the movie, director and the episode timing; if it's possible, add a piece of video.

### PRACTICE 2

Write an essay on the topic: "Teacher as a moral model". Describe the portrait of an ideal teacher from the point of view of morality; remember and tell a story when a teacher, by his/her example and actions, positively influenced your life and worldview (2-3 pages).

Present the report in class, answer questions.

### PRACTICE 3

Prepare a report with a presentation about an outstanding Chinese educator (from any era), tell about his or her moral teachings, principles, values, etc.

Present the report in class, answer questions.

### PRACTICE 4

Find an article in any scientific journal about the problems of pedagogical ethics. Identify:

-the title of the article,

-the name of the journal, year, volume, internet link.

Write a short abstract of the article (1-2 pages) and a short ppt (1-2 slides) with the main results and conclusions from the article.

Present the report in class, answer questions.

### PRACTICE 5

Compose a Code of ethics for higher education teachers (you can use existing codes as an example).

Be sure to draw a conclusion: express your point of view on the code of ethics you have composed, e.g. which requirements you consider most important, which points you would add to existing codes.

Present the code in class, answer questions.

### PRACTICE 6

Prepare a report - 10 pages.

Structure: title page, introduction, main part, conclusion, references.

Prepare a multimedia presentation based on the report - 10 slides.

Topics:

- The teacher's morality as a condition of his/her professional and moral culture.
- Professional and moral code of the teacher.
- Ethical problems of teaching activity.
- Good and evil in the teacher's professional activity.
- The moral responsibility of the teacher.
- Pedagogical justice.
- Pedagogical etiquette.
- The essence of pedagogical authority.
- Pedagogical tact.
- The moral duty of the teacher.
- Ethics of relations in the "teacher-student" system.
- Ethics of relations in the "teacher-teacher" system.
- Ethics and culture of pedagogical communication.
- Ethical aspects of conflict resolution in pedagogical activity.

Present the report in class, answer questions.

## PRACTICE 7

Write an essay about some real conflict ethical situation in the college/university. It can be a conflict in the system "student-student" or "student-teacher" or "teacher-teacher"; describe the situation in details and propose the most appropriate decision of the situation (2-3 pages). Prepare a speech based on your essay ( + ppt) and present it in class.

## PRACTICE 8

Read the text SCIENTIFIC MISCONDUCT. PART I-II. Write an essay about the problem of scientific misconduct. What do you think about the problem of plagiarism, fabrication and falsification of data in scientific research? Do you think that fabrication and falsification of data in pedagogical or psychological research is less dangerous than in the field of engineering or medicine? Justify your opinion.
